When requesting art / logos from new or existing clients, please use this guide to help make the process quicker and more efficient for everyone involved.

1. Make / Model / Year of vehicle?

2. Full wrap or partial decal overlays?

3. Window Perf or Solid covered windows? (van windows)

4. Do the vehicles require vin# specific unit numbers?

5. Art File Guidelines:

- *Ai Vector file*

- *EPS Vector File*

- *PDF with Vector Embeded*

- *JPEG as LAST resort and high resolution is a must (anything over 1MB at minimum)*

*** Fonts must all be converted to outlines if possible***

6. Pantone Numbers:

- *If a color is Pantone specific we can match to that pantone number on our end.*

We can recreate logos with additional art setup fees.
